Dear Hiring Manager,

I am writing to express my keen interest in the available position. As a BSc IT in Computer Science and Informatics final-year student at the University of Johannesburg, I have consistently maintained top academic performance while gaining hands-on experience as a Student Assistant at my university. This combination of strong analytical skills, leadership, and practical exposure makes me a strong candidate for this role.

In my role as a Student Assistant, I am responsible for assisting students with practical work, assisting with marking the practicals and providing administrative support. Through this experience, I have honed my ability to work in fast-paced environments, collaborate effectively with teams, and manage multiple responsibilities efficiently.

Beyond academic and work experience, my dedication to continuous learning and problem-solving drives me to excel in any challenge I undertake. I am particularly excited about the opportunity to apply my skills, where I can contribute meaningfully while further developing professionally.

I would welcome the opportunity to discuss how my background aligns with this role. Thank you for your time and consideration. I look forward to the possibility of contributing to your team.

Sincerely,
Simamkele Wekeza
